Problem – Solution Fit Template:

Problem-Solution Fit occurs when a solution addresses specific customer behavioral patterns and validated problems. It ensures that the features developed for ShopEz directly alleviate user frustrations in the current e-commerce landscape.

Purpose:

- ☐ Solve complex digital shopping obstacles for diverse user categories.
- ☐ Accelerate adoption by integrating familiar MERN-based workflows.
- ☐ Sharpen the technical strategy with targeted user-centric features.
- ☐ Build trust by providing efficient order management and secure browsing.
- ☐ Optimize the current e-commerce state for the target audience.
