Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	A frequent online shopper or business administrator.
I'm trying to	Quickly find products or manage digital inventory.
but	Existing systems are slow and difficult to navigate.
because	The platform lacks a responsive and unified MERN stack.
which makes me feel	Frustrated and less inclined to complete the task.

Example Entry:

[I am: A Parent] [Trying to: Buy kids clothes] [But: The site crashes] [Because: It is not scalable] [Feel: Annoyed]

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Mobile-first shopper	Browse and search seasonal arrivals	Filters are unresponsive on my phone	The UI is not optimized for mobile browsers	Impatient and discouraged
PS-2	E-commerce Manager	Update product stock levels daily	Updating each item takes too long	The admin panel lacks bulk management tools	Overwhelmed and inefficient
